✓ Attn: Honorable Robert E. Gerber, United States Bankruptcy Judge,
Room 621

I am writing in reference to a letter I received on or about December 22, 2010 from Weil, Gotshal & Manges LLP, 767 Fifth Avenue, N. Y., N. Y. 10153 which is representing Motors Liquidation Co., et al., f/k/a/ General Motors Corp., et al Debtors.

I object that the Debtor General Motors Corp. wanting to disallow and expunge my General Motors Bonds Claim #29494 for \$50,000.00. (copy enclosed)

I have made numerous phone calls to the Debtors to try and resolve the Claimant's concerns at 1-800-414-9607 with no return to my calls to date. I emailed Motor Liquidation Co. on Jan. 6, 2011(copy enclosed) and was told to follow the certain procedures as detailed in the objections emailed to me on Jan. 11, 2011. Then, on Jan. 13, 2011 I was notified by email that I must respond in writing by the deadline. The response must be filed with the bankruptcy court electronically or actually received at the court and attorneys offices.

I was never informed that since I filed a claim as an individual in duplication to the bond claim filed by the indentured trustee (Wilmington Trust) for the bond issuance.

This entire matter is very confusing to myself and believe I was misled as to the proper procedure to try to reclaim the \$50,000.00 that I lost due to General Motors filing Chapter 11. This \$50,000.00 is my savings toward my retirement. I need this money to be able to stay and live in my home, eat and medically live a healthy life past my present age of 66 years old. I MUST object to having this claim disallowed and/or expunged.

As stated in the letter I received, I must appear in Court on February 3, 2011 and if that is not possible I must be on "Telephone Appearance Provider." I will be on a cruise starting Jan. 31, 2011 and returning on Feb. 4, 2011. This is a Christmas gift from my children. Enclosed is proof that this is where I will be on Feb. 3, 2011.

Thank you for your time on this matter,

Very Truly,

Charles P. Theodora

(1) In the "Claim Amount" column, the amounts listed are taken directly from the proofs of claim, and thus replicate any mathematical errors on the proofs of claim. Where the claim amount is zero, unliquidated, unidentified, or otherwise cannot be determined, the amount listed is "0.00". For claims filed in a foreign currency, "Foreign Currency" is displayed in the "Claim Amount" column.

(2) Claims on the exhibit are sorted in alphabetical order based on the creditor name as listed on proof of claim form.

Dear Mr. Theodora,

Thanks for your message.

You received an objection to your claim. Your claim was a duplicate claim to the claim filed by either the trustee or fiscal agent, depending upon the bond that you held.

You will be entitled to receive a distribution on account of bond holding through the claim filed by the trustee or fiscal agent. If you do not respond to the objection, your claim will be expunged from the record as though it had not been filed. If you want to respond to the objection, you must follow certain procedures, as detailed in the objection.

For additional information on the bonds, please see the website for Motors Liquidation Company ? www.motorsliquidation.com . Under the FAQ link, you will find the Investor FAQs with additional information for bondholders.
